**Permit Parking**

Liz Resko - Concert Gild and BWVC must they fill out parking permit forms since they each book events based on availability of building irrespective of parking availability? Yes. Tom will speak to Danny Schweers and /or Larry Strange about a Web based calendar to show all reserved parking.

**Trees**

Tom Sergeant Cherry Street (Inn Ln and Woodlawn Ln). Is it worth saving? No. \$200 remove or \$100 prune small \$50.00.

Field Theater: Clean up \$200 stump behind fence. Can grind stump and provide wood chips. \$400 (tripping hazard). Get rid of poison ivy. Ryan Wheeler (no relations to Tom) good work Tom observed him. The people we normally use are not interested in obtaining the insurance that is required by the town.

Landscaping plan present to town for approval.

**Wynn's Leasehold**

Mike Curtis & Elizabeth Varley (Trustees), Katrina Streiff (Forest) and Civic Committee agreed to the following:

Civic will install four permanent iron rods markers (metal detectors) into ground to define the border between forest and leasehold based on survey of right of way and Forest committee will design/choose above ground marker and facilitate communicate with the leaseholder and the Trustees.

**Signs**

Valery: Ruth Bean has requested that the sign that use to be posted to the tree corner of Meadow lane be reinstalled. Agreed.

**Roads**

Survey road and list pot holes.

**Transfers**

Valery and Drumlin will look for any encroachments on the Butler's leasehold transfer.

Next Civic Meeting is scheduled for June 4, 2013 (Tuesday) at 7 P. M. at the BWVC
